

QASource to Sponsor Mitratesch Interact 2017

PLEASANTON, Calif., August 23, 2017 - [QASource](#), one of the world's leading software QA services providers, today announced it will sponsor [Interact 2017](#), an annual peer-driven legal technology forum for customers held by [Mitratesch](#), an enterprise legal and risk management solution provider. Interact 2017 will be held in Scottsdale, Ariz., Sept. 18-21.

"We are honored to once again be a part of Interact," said Rick Rampton, Head of Client Success at QASource. "QASource has been working in the legal domain for 12 years and works with more than five market leaders. Interact allows legal technology professionals from around the world to come together to share strategies for different products. This is a conference we are excited to not only sponsor but also to attend."

QASource's team of more than 80 legal tech engineers will partner with a client's team to ensure that legal technology is implemented into the client's system and functions correctly, just like every QASource team. QASource's engineers are able to customize and configure the design for the client's new technology.

QASource Legal has performed software testing for many of the top legal technology companies. In addition, the company has completed more than 75 implementations of legal matter management products and completed 50,000 hours of customizations.
